

ALBANIAN POWER EXCHANGE - ALPEX J.S.C

No. _____ Prot.

Tirana, on ___/___/2023

Subject matter: Minimum and Maximum Price Threshold for ALPEX Day-Ahead Market.

Based on the Decision of Board of ERE No. 139, dated 14.04.2023 and provisions of the Electricity Market Rules – Trading Procedure, ALPEX informs you about the Minimum and Maximum Price Threshold for the Day-Ahead Market, which ALPEX refers to as the possibility of conducting a second auction.

The definition of the Minimum and Maximum Price Threshold on the Day-Ahead Market for the operation of non-Coupled Markets, for which ALPEX enables the conduction of a Second Auction, is as follows:

- a) Maximum Price Threshold is: **+900 €/MWh.**
- b) Minimum Price Threshold is: **0 €/MWh**
